Prayer Evening

Eleven gathered for prayer at our last evening ... that means eleven hours of prayer and praise to God on behalf of the fellowship! There was a real sense that God was offering refreshing spiritual water for those who wanted to drink, and a picture of flowers springing up and new growth in barren places. At the same time as these pictures were being shared a Bible text was given which seemed to confirm that: Song of Songs 2v11-12.

"See! The winter is past, the rains are over and gone. Flowers appear on the earth; the season of singing has come...."

Let's pray together that God gives us new growth as we seek to serve Him here in Stanground. Please join us if you can, this Tuesday 16th March from 7-8pm, or if you are unable to attend, then please pray for as long as you can during that hour at home.

Peterborough Foodbank:

A huge **thank you** to everybody who has contributed over the past year – it is greatly appreciated. We are still collecting items for our local foodbank. The need locally is growing rapidly and sadly donations are declining due to the cost-of-living increases. Please place items in the green crate as you enter church for any of our services or activities.
